

CINCINNATI ZOO & BOTANICAL GARDEN

Fun in the Rain (or Cold, or Heat)

If it's rainy, cold, or hot outside, this tour of our indoor exhibits will keep you comfortable.

1) Wings of the World

The Wings of the World building offers you a glimpse into the wonderful world of birds, including songbirds and penguins.

2) Jungle Trails

Along the path of Jungle Trails, two buildings present primates, including orangutans and bonobos, in naturalistic displays.

3) Manatee Springs

In Manatee Springs, you'll find yourself surrounded by the wildlife of Florida, including manatees and alligators.

4) 4-D Special FX Theater

More than just a movie, the 4-D Special FX Theater will excite all your senses.

5) Nocturnal House

Discover creatures of the night, including bats and owls, in the Nocturnal House.

6) World of the Insect

Learn about the importance of insects, from hissing cockroaches to leaf-cutting ants, in the World of the Insect.

7) Cat House

Curious and clever eyes stalk your every move as you wander through the Cat House.

8) Reptile House

Embrace the scaly side of nature inside the Reptile House.

9) Discovery Forest

Immerse yourself in a world of green as you uncover the treasures of the rainforest in the Discovery Forest.
