

Tips for Visiting the PNC Festival of Lights at the Cincinnati Zoo

- Use the social narrative and other information from the Zoo website to prepare for your visit.
- Arrive before 4 PM or after 8PM to avoid the biggest crowds.
- Mondays, Tuesdays, and Wednesdays are also less crowded.
- Dress appropriately for the weather and wear warm, comfortable shoes for walking.
- Visit Mrs. Claus in the Zoo Shop by the main entrance if the line for Santa is too long.
- If needed, borrow a sensory kit containing headphones, fidgets, and other items from Guest Services.
- Ask about the Rides Access Pass, which allows families with difficulty waiting in line to wait outside the line for their turn.
- The Festival of Lights contains lights throughout the park. Many of them blink/flash/move, so individuals who are

sensitive to this type of input may require accommodations or may have difficulty participating.
