**Dear Friends of Conservation:**

The American Association of Zoo Keepers (AAZK) is a non-profit organization of zoo keepers and zoo professionals dedicated to animal care and conservation. Our mission is to advance excellence in the field of zoo keeping and to financially support deserving conservation projects. This September, the Greater Cincinnati Chapter of the American Association of Zoo Keepers will be hosting our sixth annual Bowling for Rhinos event on September 21st, 2019!

In a continuing effort to help protect the endangered black rhino and other endangered species, zoo keepers throughout the nation are hosting "Bowling For Rhinos" fundraisers. **100%** of all proceeds raised at these events will go directly to supporting national parks and wildlife conservancies in Kenya, Java, and Sumatra. By supporting these conservation efforts, we are actually helping to save not only rhinos, but every living creature within these protected areas (from orchids to elephants!). The Greater Cincinnati Chapter of AAZK is currently seeking local businesses to sponsor our event!

Sponsoring our "Bowling For Rhinos" event is not only a substantial advertising investment, but it can also be your company's opportunity to be a strong voice in the worldwide effort to conserve endangered species. Sponsorship levels are listed on the next page and in-kind donations are also welcomed! And because AAZK is a non-profit 501(c)3 organization, your donations are tax deductible!

The Greater Cincinnati Chapter of the American Association of Zoo Keepers will be accepting sponsorship donations through August 24, 2019. Checks should be made out to:

"Greater Cincy AAZK"

and mailed to:

Sincerely,
