DAY 3~SUNDAY~JUNE 14
NAIROBI
Your day begins with a visit to the Karen Blixen House, the former home of the Danish Baronness, Karen Blixen (1885-1962) author of the book Out of Africa. Karen lived in this green residential area from 1914 to 1931 when she left permanently for Denmark. The house was built in 1910 and when Ms. Blixen bought the property, it had 6,000 acres of land but only 600 acres were developed for growing coffee; the rest was retained under natural forest. The house was bought by the Danish Government, which offered it back to Kenya in 1963. In 1986, the house, formerly used as a school, was transformed to a National Museum. Much of the original furniture is on display in the house and most objects were either used by Karen herself or for the shooting of the film or donated to the museum.
Continue to the David Sheldrick Wildlife Trust at the edge of Nairobi National Park, which is a nursery and rehab center for infant elephants that have lost their families, as well as rhino and occasionally zebras and other wildlife. Daphne Sheldrick was the first person to successfully master the art and raise orphan infant elephants. The wife of the famous naturalist David Sheldrick, Daphne had dedicated her life to conservation. David was founder Warden of Kenya's giant Tsavo East National Park, in which he served from 1948 until his death in 1976. Daphne continued her involvement till her death in April, 2018 and had a real impact on the lives of elephants and rhinos, which would have normally died due to human poaching and surrounding population conflict. Their daughter, Angela, now continues this most important work. You’ll enjoy a visit with the elephants as they’re brought by their keepers to the waterhole and salt lick to be fed and socialize – see how they roll in the mud and play fight, and their affectionate interaction with their keepers. Learn the habits of the orphans and many interesting facts about their upkeep. These infants are eventually released into the wild at Tsavo East National Park and end up in the care of other orphans who have been successfully reintroduced to the wild.

Enjoy lunch and resume your sightseeing to the AFEW Nature Center near Giraffe Manor where you may hand-feed the Rothschild giraffe that live here. The giraffes were brought here by Jock and Betty Leslie-Melville, who founded AFEW (African Fund for Endangered Wildlife) and built the Nature Center to help educate young African children about wildlife conservation. The Rothschild giraffe are the tallest species and may reach 18 feet in height, but you can see eye to eye with them on the elevated walkway at the center.

Your welcome dinner has been prepared for you at the Carnivore Restaurant. Carnivore's specialty is meat, and features an all-you-can-eat meat buffet. Every type of meat imaginable, including four choices of wild game, is roasted on traditional Maasai swords (skewers) over a huge, visually spectacular charcoal pit that dominates the entrance of the restaurant.

Overnight at THE RESIDENCES AT KAREN in cottage rooms. (B,L,D)
Begin your exploration of this magnificent country as you drive on its rugged roads, through rich farm land, en route to Samburu Reserve. Samburu lies on the hot and arid fringes of Kenya’s vast northern region. (An optional flight between the Nairobi and Samburu is available at a cost of $350 per person.) En route, stop for lunch at the Trout Tree Inn in Nanyuki, a market town in central-east Rift Valley region. Continue to the Buffalo Springs Reserve, set within the lands of the colorful Samburu people, close relatives of the Maasi. The landscapes are magnificent with extremely colorful birds and numerous wildlife species found only north of the equator and rarely elsewhere in Kenya. Species include the Grevy’s zebra, reticulated giraffe and beisa oryx while the graceful gerenuk, an antelope with a characteristic long neck, spends most time in a bipedal stance seeking relaxation in the sparse scrub. The dramatic, harsh landscape is subjected to the hot equatorial sun for most of the year and relief comes only from the cool waters of the Uaso Nyiro (“Brown”) River. Rising to the West on the foothills of the Aberdares, the river vanishes beyond Samburu in the soggy expanse of the Lorian swamp.

The luxurious Samburu Intrepids Club is set in the midst of the rugged and savagely beautiful semi-arid desert of northern Kenya. Located in the Samburu National Reserve on the banks of the Uaso Nyiro River, the Club offers unique wildlife viewing in its immediate surroundings. Twenty-five tastefully-furnished spacious tents are elevated on individual decks under the shade of the acacia trees overlooking the river. The roomy tents boast the very latest in luxury, with soft four-poster beds, handsome mahogany closets and writing desks, and en suite bathrooms with steaming hot showers. The bathroom also offers twin washbasins, flush toilets, and sockets for shavers and battery charging. The lodge is subtly constructed to enhance its closeness with nature. Time not on safari can be spent by the swimming pool or on an escorted camel safari across the river, also the nature bird walks provide a fascinating past time. (Available at additional costs.) Buffet luncheons and candlelit dinners are served on an elevated deck amidst the high shade trees. And the occasional visits from the elephants or other wildlife below the decks will make your stay most memorable.

Days 6/7—Wednesday/Thursday—June 17/18
Sweetwaters Tented Camp
Another adventure begins when you drive today to the heart of a privately-owned 24,000-acre reserve, where your luxurious tented camp with magnificent views of Mt. Kenya awaits you. One of only four private wildlife reserves in Kenya, your under-canvas experience includes a day wildlife drives in search of the ‘Big Five’. Watch a parade of elephant, giraffe, zebra and impala come to drink at the camp’s floodlit waterhole and saltlick. Optional activities abound: you may choose to go on a night drive in search of nocturnal species, on a camel safari, walking safari and much more.
During your stay here, you will also visit the 200-acre Chimpanzee sanctuary that has been set up here. Although chimps are not indigenous to Kenya, the aim of the project, initiated by Kenya Wildlife Services and the Jane Goodall Institute, was to set up a colony where chimps could be introduced, rehabilitated and taught to fend for themselves in an area similar to their natural living conditions. Priority is given to orphaned and abused chimps. The Sanctuary currently has over 40 chimps, including two babies born in the Sanctuary. There is also a new Visitor's Information Center at Morani’s Boma.

Accommodation is provided in luxuriously appointed tents set under thatched roofs, with en suite facilities and private verandahs.

All tents face the waterhole, and often the best time to be had is just sitting on your private porch watching the procession of animals that are attracted to the waterhole and observing their behavior.

**DAY 8~FRIDAY~JUNE 19**

**LAKE NAKURU NATIONAL PARK**

Travel overland for a fabulous day of nature viewing. You are now in the heart of the Great Rift Valley (which roughly bisects Kenya North to South), a huge geological fault-line that stretches round one-sixth of the Earth’s circumference and is visible from far out in space. At 2,000 feet deep and 30 miles wide, it runs as far as the eye can see. Its walls are sheer and high and, along its length, there are many volcanoes mostly dormant. The landscape, with bubbling springs and geysers, is spectacular.
Arrive to Lake Nakuru National Park, a shallow alkaline body of water, once world-renowned for the huge concentration of flamingos. Today, there aren’t many flamingos left, but the park boasts a huge variety of animals including leopard – often found snoozing on the branches of magnificent yellow-barked acacias – lion, buffalo, hippo, waterbuck, warthog, baboon, and the endangered Rothschild’s giraffe (Only found in this part of Kenya), white rhino and the rare, protected black rhino. For the bird-watching enthusiast there are 450 species found in the park vicinity, with a big concentration of water birds including Marabou Storks, cormorants and pelicans.

The Sarova Lion Hill overlooks Lake Nakuru. Built on a natural dais (platform), it is cleverly laid out so that most rooms afford stunning views of the lake and the Park. The lodge incorporates natural landscaping of tall acacia trees, winding walkways and greens dotted with bird feeders that attract over 50 species. All 64 rustic, chalet-style rooms are comfortable and offer en-suite bathrooms and private patios. Additional amenities include the Flamingo Restaurant, the Rift Valley Bar, swimming pool, sauna and novelty shops. Local dancers perform traditional dances nightly.

**DAYS 9/10/11~SATURDAY/SUNDAY/MONDAY~JUNE 20/21/22**

**MAASAI MARA/NORTHERN SERENGETI**

Drive to the Maasai Mara, Kenya’s most famous wildlife reserve. Known as the “Jewel of Africa” and setting for the film *Out of Africa*, it covers an area of 700 square miles and forms part of the Serengeti ecosystem. The reserve is a classic savannah landscape of rolling grasslands with free roaming animals and spectacular vista. Wildlife shares the land with minimal conflict with local, cattle tending Maasai tribes. Spend three days of exciting wildlife-viewing in the Maasai Mara, site of one of the world’s largest and the most spectacular animal migrations. Up to two million wildebeest and thousands of zebra move from the Serengeti plains, surrounded by an escort of carnivores, following the rains and subsequent presence of succulent new grass. It is a costly trek. Many of the lame, laggard and sick animals fall prey to ravening packs of predators while many more die in the swirling flood waters of the Mara River which crosses the reserve from north to south. The Mara has its own resident herds and shelters many of Africa’s most popular wild animals including lion, elephant, leopard, black rhino and hippo. The Mara has one of Africa’s highest concentrations of cheetahs, as well as magnificent black-maned lions. Over 500 species of birds live in the park including ostrich, larks, sunbirds and the lovely Lilac-breasted Roller.

Optional activities abound while you’re in the Maasai Mara. You can try a balloon safari for an exhilarating experience over the savannah as the early sun rises and the animals are more active. If you wish, for a nominal fee, you can also visit a Maasai Village to experience this nomadic tribe’s way of life and see their colorful culture.
The Mara Sarova Camp provides one of the most ideal settings to enjoy the magnificent wildlife and stunning views. The camp is set on an elevation surrounded by two streams and hidden amidst wide gardens with manicured lawns and exotic flowers. Feel at home in the wilderness in one of the 75 en-suite tents with permanent floors and roofs, all including private bathrooms with a shower and hot/cold running water and electricity. You can also sample the various culinary delights that are served at the Isokon Restaurant or relax with a swim in the lion paw designed swimming pool. Evening entertainment includes two resident guitarists who play by the fireside and traditional Maasai dancers. Enjoy evening barbecues by the pool beneath the star filled skies.

A day room will be supplied for you at CROWNE PLAZA. This afternoon, you may opt to shop in town, or at the African marketplace, or bask in the sun at the lovely pool of your hotel. **PARIS/CINCINNATI**

DAY 12~TUESDAY~JUNE 23  
MAASAI MARA/ ENTEBBE/ BWINDI IMPENETRABLE FOREST NATIONAL PARK

Today bid farewell to the rest of the group returning to the USA tonight, and transfer to the airport for your flight to Entebbe. Upon arrival, this morning (8:45 am -11:30am), you connect with your flight to Bwindi Impenetrable Forest National Park, a designated UNESCO World Heritage Site and a true African “jungle”, so called because of the dense undergrowth, vines, and other vegetation which make it almost ‘impenetrable’. It is both mysterious and awesome. The lowland rainforest and Montane forest vegetation constantly struggle to reach heights that will allow it to receive more light.

Mahogany Springs Lodge is located on the northern side of Bwindi Impenetrable Forest on its own private section of the Munyanga River, offering privacy and serenity blended with optimal comfort in a spectacular setting. The lodge is built in a way that one can easily catch a glimpse of the gorillas crossing in and around the land of the lodge and even feeding on the various plants near the riverside. Each spacious suite has two double beds and en-suite facilities. The cottage has its own private elevated terrace with chairs, table and stunning views. Enjoy afternoon tea on the terrace or sundowners by the riverside.

Days 13/14–Wednesday/Thursday–June 24/25
Entebbe/Bwindi Impenetrable Forest National Park

Spend two days in enchanting Bwindi Impenetrable Forest National Park. Huge trees are festooned with creepers and parasitic plants such as mistletoe and orchids. Giant thickets of bamboo thrive in the humid atmosphere and, where sunlight breaks though, the elegant heliconia or lobster claw spreads its colorful petals. At least 120 species of mammals make their home here in one of the richest ecosystems in Africa. Besides the 10 species of primates, elephant, bush pig, giant forest hog, many species of bats and rodents, at least 346 species of birds including rare forest birds, 14 species of snakes, 27 species of frogs and toads, 6 chameleons, 14 lizards, skinks and geckos, and at least 202 species of butterflies are resident in the Forest. There are also several endangered species of birds with limited ranges.

Ugandan authorities are fiercely protective of this natural treasure and permit only a limited number of travelers per day. Your group will have the opportunity for two treks per person to view the mountain gorillas during your stay (at additional cost). After breakfast, you will proceed to the nearby park headquarters and meet with your excellent local guides and porters, who will carry your personal items and assist you during the trek. Gorillas here live on the slopes of ancient volcanoes in high elevation forests. Dense bamboo thickets give way to a combination of large meadows and dense herbaceous vegetation zone highlighted by moss-laden hagenia and hypericum trees. Your treks will take you through a fairyland forest, an experience that in of itself is thrilling. As you venture forth, you will spot evidence that the gorillas have been present. The treks can last from four to seven hours (or more) depending on when you spot the gorillas. There is an hour limit to the time you spend with these majestic creatures once you spot them. Tracking gorillas through misty, seemingly impenetrable forests can be an exhausting process as the paths are often slippery, entangled, and wet. However, this effort is quickly forgotten the minute you encounter these beautiful creatures. They instantly capture your full attention with their acrobatic antics and cacophony of grunts, screeches and chest beating.

Without doubt, your first impression of the dense jungle will be its almost audible silence. Jungle creatures are very, very shy, but, as you pick your way along the trail, through the dense undergrowth, you’ll realize that the jungle is alive. Thousands of living organisms are discreetly watching and waiting as you pass through their home and, from time to time, the complete tranquility will be shattered by a darting forest bird or group of chattering monkeys leaping through the stands of ancient trees, disturbing the secretive residents and setting up a chain reaction. Now, the ever-wary jungle comes to colorful and noisy life for a moment, until silence reigns again.
As you walk among the shadows of the leafy canopy, this rainforest reveals the smells and sounds of Africa, just as it has been for centuries. Your guide will take you along river trails with delightful waterfalls, up steep slopes, and into forest clearings in search of these gentle giants. Although the hike is physically demanding the beauty of the forest and surrounding scenery make the trekking worthwhile. Once the gorillas are located, all fatigue is forgotten, as the experience is often described as being the most profound natural history experience in the world. Approximately 98% of the gorilla treks are successful but there is no guarantee that you will see the gorillas.

**Optional Batwa experience (at an additional cost of $120 per person)**

On the outskirts of southwest Uganda’s Bwindi Impenetrable Forest National Park – where the mountain gorillas dwell – you can now come face to face with the 4,000-year-old culture of the Batwa Pygmies. The Batwa were the original ancient dwellers of the forest. The first records of pygmies were made by the Egyptians over 4000 years ago. They described short stature people living near the “Mountains of the Moon” extolling their abilities as dancers and story tellers. Homer and Aristotle also made mention of them. They lived peacefully, kept their traditional ways leaving a small footprint of their presence in the ancient forests. There is the saying “A Batwa loves the forest as much as he loves his own body.”

In 1991, it all changed – the government evicted them (most without any compensation) when the Bwindi Impenetrable Forest and Mgahinga Gorilla Parks were established – the Batwa people became people without a home, without land, people without rights. The Batwa Pygmies were now people without an identity reduced to begging, poaching and stealing.

The Batwa Development Program a community organization that supports the Batwa at becoming self-sufficient. The organization owns land where the pygmies practice and preserve their ancient traditions – and share them. Inspiring Batwa elders lead tours that reveal their use of medicinal plants, hunting/gathering customs, and traditional homes, and even let you try a bow and arrow. THINGS YOU NEED TO KNOW ABOUT KENYA & UGANDA

Participants
- Participants must be able to climb in and out of minibuses unassisted. They should also be able to tolerate riding on uneven, bumpy dirt roads for long periods of time (6-9 hours maximum), as well as some off-road experiences when opportunities allow.
- Participants should also be able to stand and / or walk moderate distances at an easy pace for up to a few hours at a time when visiting villages, towns or other sites. Some, if not most, of this walking may be on uneven ground or uphill, often at higher elevations and altitudes that many people are not used to.

General
- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries and occasionally your accommodations.
- Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home. Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort.
- That being said, some locations are nestled in absolute luxury where pampering is the norm. Participants should generally be in good health and prepared to travel in locations without medical facilities.

Air Schedules
Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the “land only” rate for this program. The start and end city for the land only program is Nairobi, Kenya. The extension returns from Entebbe.

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.
Your safari will include a visit to a local school. We encourage you to bring colorful books and magazines, as well as school supplies such as pens, paper, crayons, soccer balls, etc., which you can present to the children during your visit. Many of these children have never owned a book in their life and the connection you’ll make with them is invaluable. You’ll find that children in the schools are eager to meet with visitors, practice their English, learn about your culture and proudly share their own. You are often welcomed with a local song or dance.

After seeing schools first hand, meeting the dedicated teachers working under the most difficult conditions and children hungry for knowledge, many travelers have wanted to help the schools they visited or continue to support a child’s learning opportunities after they return to their homes. Bring-A-Book is an innovative effort adopted by Classic Escapes to expand education opportunities for school children. The Bring-A-Book Foundation is a registered Kenyan Charitable Trust that was created as a way to facilitate travelers’ wishes to help the schools and is used to get books into the hands of children as quickly and economically as possible. With compassionate ground operators such as Rangers Safaris, Wilderness Safaris and &Beyond, Classic Escapes has expanded the reach of BAB to Tanzania, South Africa and Zambia, and plans to expand to other countries as well. Information will be given to you with your final documents, but if you wish to help further, feel free to call Classic Escapes at 800-627-1244 for details.

CLASSIC ESCAPES CONSERVATION FUND

In keeping with our mission to provide exciting, educational, and fun-filled experiences that nurture and directly support the diverse wildlife and cultures we visit around the world, Classic Escapes has established the Classic Escapes Conservation Fund to ensure that a percentage of all profits go to support conservation and wildlife researchers performing their critical work in the field. Project support has included wild dog, elephant, rhino and cheetah conservation in Botswana, Kenya, Tanzania and Namibia, penguins in Punta San Juan Peru, tiger preservation in India, and sponsoring school children in Kenya, among many other projects around the world. **HOW TO BOOK:** Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: Classic Escapes Inc. 58-25 Queens Blvd., Woodside NY, 11377. Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

**PAYMENTS**

**DEPOSIT:** deposit of $1,200 per person must be submitted at the time of booking for the main trip, as well as $1,000 for the extension and the cost of the permits. Deposits may be paid by check or money order ONLY.

**FINAL PAYMENT:** Final payment is due 95 days before departure – **March 9, 2020** – you will receive a final invoice. Final payment is payable by check or money order ONLY.

**RATES:** Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

**NOT INCLUDED:** Cost of passport and departure/entry taxes; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy; cost for anything not specifically included in listing above.

**SINGLE SUPPLEMENT:** The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement will apply. Single accommodations are not guaranteed, but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

**GRATUITIES AND TAXES:** Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included. U.S. and foreign airport taxes are included in air costs. Tips to drivers and naturalist are NOT included.

**CANCELLATIONS, DEVIATIONS & CHANGES**

**TRAVEL INSURANCE:** We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

**CANCELLATION POLICY:** Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this tour:

**WE STRONGLY RECOMMEND THAT YOU OBTAIN THE OPTIONAL INSURANCE POLICY. INFORMATION WILL BE SENT TO YOU UPON RECEIPT OF RESERVATION FORM.**

**CHANGE FEES:** Once you reserve your tour, changes are possible subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

**SPECIAL ARRANGEMENTS:** We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of $150 per person (over and above the cost of the services required) will be assessed.
**DOCUMENTS**

**PASSPORT & VISAS:** The onus is upon the guest to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State (travel.state.gov) or by the passport holder’s country. Classic Escapes, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor for the cost of obtaining visas. The cost of the Kenya Visa is NOT included.

As of September 1, 2015, visas for Kenya may only be secured on-line. The fee for a single-entry, tourist visa is currently $50 and $100 for multiple-entry for each applicant, regardless of age. Visit the electronic visa page at http://evisa.go.ke/evisa.html.

**PRE-DEPARTURE INFORMATION:** Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, etc.

**FINAL DOCUMENTS:** Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

**TRANSPORTATION**

**OPTIONAL AIR TRANSPORTATION:** Roundtrip, economy-class flights via AIR FRANCE and/or other IATAN carriers are between CINCINNATI, and the destination city noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost; inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

**AIRLINE SEATING:** For AIR FRANCE, we request seats together for the group. All planes are non-smoking. We can request a seating preference on your behalf, however requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Classic Escapes cannot provide the Comfort Seating Service as this is available on specific flights subject to availability and commercial laws as determined by each airline and at their own discretion. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check in, based on availability and is at the sole discretion of airport staff.

**FREQUENT FLYER MILEAGE:** As mentioned, we work primarily with AIR FRANCE. For a list of the airline’s partners, visit https://www.airfrance.us/US/en/common/guidevoyageur//.reseau_partenaire.htm. Obtain frequent flyer mileage on any of these carriers. Present mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit.

**TRANSFERS:** Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

**ACCOMMODATIONS:** You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and air conditioning and/or fans. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions may be substituted for a different property of comparable quality.

**MEALS:** All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate.

**INOCULATIONS:** When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention (www.cdc.gov/travel) and then review those details with their personal physicians.

**WATER:** It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.
BAGGAGE: On average, international flights from the USA allow one piece of checked luggage not exceeding 50 pounds; however, we always recommend that you check your airline’s policy just before departure, as luggage limitations are always subject to change. Despite this weight allowance, we always suggest guests travel light. Also, soft-sided duffel bags are ideal for this tour, as they stow best in vehicles and airplanes with limited space.
