

# PRIVATE TOURS & PRESENTATIONS

The Cincinnati Zoo & Botanical Garden is known for its great educational programs. Private tours and presentations can be arranged for your group to meet and learn from our talented staff. Tours are limited in size in most cases to fewer than 50 people and are based on availability of staff. Here are simply a few ideas that might be of interest to your group.

## BOTANICAL GARDEN TOURS

Take a walk on the wild side with our wide variety of tours and programs with one of our horticulturalists.

## CREW TOURS

Visit the research center and learn about the fantastic work our team of scientists are doing to save endangered species.

## GREEN TOURS
