

Ani-Moves!

Find animals that run, jump, swim, and fly!

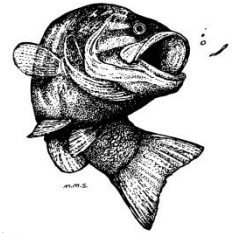

Location at Zoo: Throughout the Zoo.

Materials: Pencil

Activity: All animals move to survive! As you move throughout the Zoo, see if you can find an animal living here that matches each movement below.

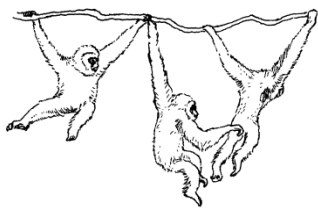

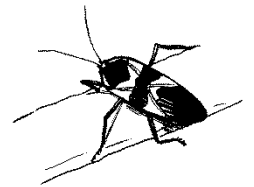

FIND:

An animal that swims _____

_____ An animal that flies

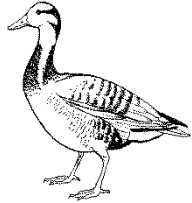

An animal that crawls _____

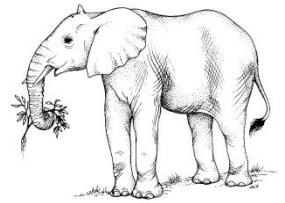

_____ An animal that swings

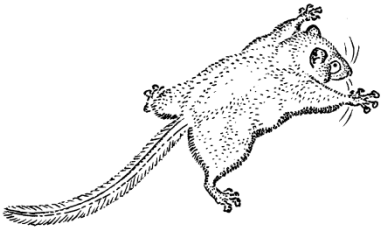

An animal that runs _____

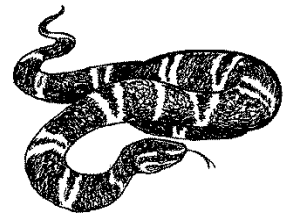

_____ An animal that walks on 2 legs

An animal that walks on 4 legs _____

_____ An animal that jumps

An animal that slithers _____

If you could move like any animal, how would you move?
