

Endangered Excursion Experience Details

Being a zookeeper takes careful preparation. Here are some things you need to know so that you can be prepared to work side by side with a Wildlife Canyon team member:

1. Participants must be in relatively good physical condition as this is a high energy program providing the opportunity to experience the work of a keeper side by side.
 2. Communication between you and your guide is crucial.
 3. You must be attentive. Although the animals in Wildlife Canyon are comfortable working with their human caregivers, they are still wild animals and their behavior can be unpredictable.
 4. Any special needs should be discussed with the program manager prior to the program via contact information provided below.
 5. All participants are required to complete and sign a liability waiver.

- **Shoes must be closed toe!**
- Any loose and dangling jewelry (ie. earrings and necklaces) will not be permitted.

Where do we meet?

- Please plan to park in the Zoo's main parking lot on Vine Street (under the solar panels!). Enter the Zoo through the main turnstiles using your e-ticket. Your tour guide will be waiting for you at the Welcome Center, just inside the turnstiles. **Exact address: 3400 Vine Street, Cincinnati 45220**

Any cancellations received six business days or less are not eligible for a refund. Exceptions to the refund policy will be made on a case-by-case basis and at the sole discretion of the Program Manager.

What if the Zoo needs to reschedule due to veterinary procedures for the animals?

- As with humans, there are times when our animals do not feel well or need to have a vet visit last minute. We will do our best to reschedule your visit or provide you with a full refund.
