

Junior Zookeeper Experience Details

Being a zookeeper takes careful preparation. Here are some things you need to know so that you can be prepared to work side by side with members of our Children's Zoo team:

1. Participants must be in relatively good physical condition as this is a high energy program providing the opportunity to experience the work of a keeper side by side.
 2. Communication between you and your guide is crucial.
 3. You must be attentive. Although the animals in the Children's Zoo are comfortable working with their human caregivers, they are still wild animals and their behavior can be unpredictable.
 4. Any special needs should be discussed with the program manager prior to the program via contact information provided below.
 5. All participants are required to complete and sign a liability waiver.

- Adults
- Children ages 4 and above may participate with an accompanying adult.
- Youth ages 13 and up may tour solo with the written permission of an adult or guardian.

What should I wear?

- You will be both indoors and outdoors during your experience. There is a strong chance that your clothes and shoes may get wet and/or dirty therefore you may want to bring a change of clothes/shoes. In short, come prepared to sit on a hay bale and a barn floor!
- **Shoes must be completely closed toe! No crocs, sandals or other open footwear will be permitted.**
- You will be asked to remove all jewelry other than smooth wedding bands (no stones). No necklaces, dangling earrings or bracelets will be permitted.
- If your clothing includes a drawstring, please be sure it is tucked away and secured before entering the animal enclosures. Please also tuck and secure any loose shoe strings.

Will there be a place for me to store my personal items?

- No, please plan to pack your items in a backpack or handbag which can travel with you during your experience.

Can I take pictures during the program?

- Your tour guide will also act as your own personal photographer during the experience. Following your experience, the high-res photos will be mailed to you on a CD. **No personal cameras or videos will be permitted.**

Where do we meet?

- Please plan to park in the Zoo's main parking lot on Vine Street (under the solar panels!). Enter the Zoo through the main turnstiles using your e-ticket. Your tour guide will be waiting for you at the Welcome Center, just inside the turnstiles.
- If rerouted to an overflow lot - once inside the park, please proceed to the Welcome Center (see star below). Your tour guide will be there waiting to meet you.

What if I'm late?

- If you are more than 15 minutes late, please call **Sam at 513-487-3359**. If you arrive late, the length of the program cannot be extended.

What if I need to cancel?

Any cancellations received six business days or less are not eligible for a refund. Exceptions to the refund policy will be made on a case-by-case basis and at the sole discretion of the Program Manager.

What if the Zoo needs to reschedule due to veterinary procedures for the animals?
