Ecuador & The Galapagos Islands
Natural Selection in the Enchanted Isles

August 20 to 28, 2017
Starting at \$4,795 per traveler

Journey to the enchanted isles of the Galapagos, where Charles Darwin redefined our understanding of life itself. Begin on the mainland, immersing yourself in the culture of Ecuador among snow-capped mountains and the indigenous markets of Otavalo. Set sail in the Galapagos Islands, a place filled with creatures found nowhere else on Earth. You'll come within steps of these rare animals and hike the unique and storied vistas of the islands accompanied by your expert naturalist guides.

Trip Highlights

- Cruise around the Galapagos Islands among our planet's most captivating wildlife: Sea lions, Galapagos fur seals, Galapagos Penguins, Blue-footed and Nazca Boobies, great 600-pound tortoises, and much more.
- Enjoy a guided tour of Quito's colonial quarter, the largest and best preserved in the whole continent.
- Drive to South America's most famous Indian fair, the Otavalo Market, centered around 'Poncho Plaza' for an afternoon of shopping and an unbeatable look into Ecuadorian culture.
- Surround yourself with the beauty of the Galapagos reef while snorkeling in the glittering inlets of the archipelago alongside schools of colorful tropical fish, sea turtles, and thriving coral.
- Spend five days aboard a luxury motor yacht, cruising between the varied and lively islands of the Galapagos, where you'll discover natural wonders like olivine green sand beaches and towering volcanoes.
- Visit Peru on the post-extension, exploring Lima, Urubamba Valley, and spend two days at Machu Picchu.
