Sensory Garden/Calm Space

Rides Access Pass

The Cincinnati Zoo & Botanical Garden, in partnership with Cincinnati Children’s Hospital Medical Center, has been working to become the most welcoming, accessible, and inclusive Zoo for individuals with developmental disabilities and their families.

Many Zoo employees have undergone training provided by CCHMC’s Leadership Education in Neurodevelopmental and related Disabilities (LEND) program to better engage with the developmental disability community. They can be identified by the **ACCESS FOR ALL** sticker on their employee badges.

- In addition to teaching staff skills to promote inclusion, the Zoo offers:
- adult-sized changing tables
 - sensory maps
 - rides access pass
 - social narratives
 - visual supports
 - sensory bags
