You're invited
to join the 1875 Founders Circle as we celebrate our 150th Anniversary in 2025. Since 1875, the Cincinnati Zoo & Botanical Garden has been saving species and creating lifelong memories ... and by working together, we can build a new future.

With three ways to commit, you become part of our most innovative and future-focused capital expansion to date. With your support we can do even more to care for our animals and inspire future generations to take positive action for the world around us.
