PALM OIL is used in many of the foods and products we consume every day. As consumers, we all have the power to protect wildlife by choosing products made with Certified Sustainable Palm Oil (CSPO).

This information is to be a helpful guide. The companies listed here are members of the Roundtable on Sustainable Palm Oil (RSPO) and are committed to using CSPO. Please support companies that are doing their best to make a difference.

For more information, visit cincinnati-zoo.org to download the Cincinnati Zoo's Sustainable Shopper app.
