Zoofari 2024

CELEBRATING ELEPHANTS OF INDIA

Cincinnati's see-and-be-seen event of the season, **Zoofari 2024: Celebrating Elephants of India**, will celebrate the completion of our biggest habitat ever, **Elephant Trek**. As the premiere party with a purpose, Zoofari attracts over 2,500 guests and is the largest fundraising event at the Cincinnati Zoo & Botanical Garden. This event raises integral support for the care and sustainability of almost 400 animal and 3,000 plant species, groundbreaking conservation efforts, and educational outreach programs.

This year's Zoofari theme inspiration is **Elephant Trek**, a spectacular five-acre landscape of habitat and gardens with engaging features for animals and humans alike.

The habitat will support a multi-generational **Asian elephant herd** and put our Zoo on the leading edge of elephant care, research, and management.

*We look forward to your support of
Zoofari 2024: Celebrating Elephants of India,
inspired by our future Elephant Trek habitat.*

Thanks to you, we are on track to be the first Zoo to achieve net zero energy, water, and waste by 2025! Zoofari 2024 is a zero-waste event, meaning 90% or more of guest generated waste is diverted from the landfill.

CONSERVATION IMPACT

Because of you, we are able to facilitate meaningful impact for wildlife and the communities who coexist with them around the world. Our Zoo's leadership is saving wildlife for future generations!

ANIMAL CARE

Your support ensures the highest level of animal care and helps protect endangered and threatened species around the globe.

COMMUNITY IMPACT

You enable us to continue reaching local families who make memories here generation after generation.

Your support as a sponsor will help the Cincinnati Zoo continue as a global leader in research and animal conservation, as well as, a sought-out family destination that is consistently rated as one of the best visitor experiences in the Greater Cincinnati region.
