Get ready for Cincinnati's must-attend event of the season—**Zoofari 2025: Neon Jungle**—a nocturnal celebration filled with thrilling adventures and unforgettable experiences. As the premier party with a purpose, Zoofari draws **over 2,500 guests** and stands as the **largest fundraising event** at the Cincinnati Zoo & Botanical Garden. This event provides essential support for the care and sustainability of nearly **400 animal species and 3,000 plant species**, as well as groundbreaking conservation efforts and educational outreach programs.

This year, we're turning up the excitement by focusing the event to a more **central spot at the Zoo**, bringing the party to new heights and making the experience even more **ELECTRIC!**

Upon arrival, enjoy refreshing **libations and light bites** in the **Electric Vine Street Village** during a lively **cocktail hour** before stepping into the **Neon Jungle**. Wander through a variety of **restaurants and animal experiences** along the path, leading you to the heart of the Zoo where the party—and your favorite Zoofari highlights—await!
