# Elephant Trek

This year's Zoofari theme, **Celebrating Elephants of India**, draws inspiration from the Zoo's upcoming new habitat, **Elephant Trek**, which many guests will see for the first time during this special event. Spanning five acres of carefully landscaped gardens and habitats, Elephant Trek is designed as a sanctuary dedicated to supporting a **multigenerational Asian elephant herd**. Join us as we celebrate the elephants of India and look forward to the debut of Elephant Trek, marking a significant milestone in the **commitment to elephant care and conservation**.
