- Check out the animal-themed body art!

*Be a superhero for Education at Zoo La La! By donating to our education programs, you are directly impacting children in our community and providing them with an opportunity to experience the Cincinnati Zoo & Botanical Garden.*

The Cincinnati Zoo offers a variety of education programs for all ages. These include Zoo camps, school programs, outreach visits, overnight adventures, adult education, and internships/volunteer opportunities. The programs aim to teach about wildlife, conservation, and animal care while fostering a love for nature and inspiring action for conservation.

Feeling inspired by the amazing work of the Education Department? Stop by our tent in Vine Street Village or by Giraffe Ridge and act like a kid again with exciting kid-approved activities! All proceeds from the evening benefit the Education Department, because of you, the ***Future is Bright for Kids at the Zoo!***
