

VISITING ROO VALLEY AT THE CINCINNATI ZOO & BOTANICAL GARDEN

**I AM GOING TO THE CINCINNATI
ZOO & BOTANICAL GARDEN TO
VISIT THE KANGAROOS AND
PENGUINS AT ROO VALLEY TODAY!**

I AM SO EXCITED!

ENTER THE ZOO

When we enter the Zoo, we will follow signs to Roo Valley.

WALKING DOWN

We will walk down a long path to get to the entrance to the Kangaroo and Penguin Habitats.

ROPES COURSE

I will see a high ropes adventure course called Kanga Klimb before I get to the Kangaroos and Penguins. We might be able to do the course if my adult or group agrees.

ROO VALLEY RULES

We are not allowed to bring food or drinks into this area. The Kangaroos have a very special diet so we cannot feed them.

WAITING TO ENTER

Lots of people want to see the Kangaroos and Penguins, so we may have to wait our turn to enter, and we will try to be patient. A Zoo worker will tell me when it is my turn to enter.

Masks are no longer required, but I can still wear one if I want to.

ENTERING ROO VALLEY

Once we get to the entrance, there will be two sets of doors for me to go through. I will make sure to only open one door at a time. Once one door is open, I will wait until it is closed to open the other door.

INSIDE ROO VALLEY

I will try to use a quiet voice so that I don't scare the Kangaroos.

I will also stay on the path.

CURIOUS KANGAROOS

Some of the Kangaroos may be curious and come close to me. So that we both stay safe, I will not touch the Kangaroos. If they are getting too close, I will move back.

HOPPING KANGAROOS

Some Kangaroos may also want to see other parts of their habitat and jump or hop really fast. I am safe, they just want to explore.

LITTLE BLUE PENGUINS

If I want to, I can also see the Penguins in their habitat by going through their door. I will make sure there are no Kangaroos around before I open the door to go in. I can see the penguins on the beach or in the water.

NEED A BREAK

If I am tired, I can sit down on this bench and rest until I am ready to leave Roo Valley.

LEAVING

When I am ready to leave, we will exit through the exit door and will make sure to close it behind me. We will walk on the path back to the front of Roo Valley to leave.

LEAVING

We will go up the long path to our left to get out of Roo Valley. We can see other parts of the Zoo if we want to.
