

# ZOO CAMPS 2025 OVERVIEW

## CAMP PREREGISTRATION

PreRegister your child for camp by **February 15<sup>th</sup>** to make the registration process easier and faster. See PreRegistration Process ([Page 2](#)).

## CAMPERS AGE/GRADE

Camps are available for children from 4 years of age through rising 8<sup>th</sup> graders.

**Winter/Holiday/Spring Break Camps:** Children are registered for the grade band they are currently in.

**Summer Camps:** Children are registered for the grade band of what they will be entering in the fall.

For example, a child that will be entering 4th grade in the fall of 2025, will be registered for the 3<sup>rd</sup>-4th grade camp. A child registered for 4 years old-Kindergarten must be at least four years old when attending camp.

Our camps are thoughtfully designed to provide the best possible experience for each specific age group. To ensure all participants have a safe and enjoyable time, we kindly ask that children attend the camp sessions created for their designated age range. Younger campers will find advanced content and social dynamics challenging, which affects their experience as well as that of the older campers. We truly appreciate your understanding and ask you to register your camper for the sessions that match their age/grade.

### For Summer Camp 2025:

- **Half Day Camps:** Half day camps (AM and PM) are available for 4 years old-Kindergarten campers only. We do not have half day options for the 1<sup>st</sup>-8<sup>th</sup> grade age bands.
- **Full Day Camps:** Full day camps are available for 1<sup>st</sup>-8<sup>th</sup> grade campers. We do not have full day options for the 4 years old-Kindergarten age band.

## GROUPS

For 2025 registration, we do not have individual groups (Group A, B, C, etc. if you are familiar from previous years). Registered campers will be divided into their groups the week before their camp. Adults can find their camper's assigned room the week before the camp through the online Camp Guide.

To allow as many children as possible to enjoy Zoo Camp, campers are limited to one week of camp per topic. Duplicate camps will be refunded.

## FRIENDS

You must enter the names of any friends your camper would like to be grouped with. This includes any siblings in the same grade. If you have siblings/campers you would like separated, you can note that as well. Friends can be added/changed up to 8 days before the camp. Friend grouping cannot be guaranteed.
