

CONSERVATION SCAVENGER HUNT

6th–8th Grade

Visit different Zoo habitats and ask the Habitat Ambassador Volunteers the questions below to learn more about the Zoo's conservation projects!

Location at the Zoo: Gorilla World, Elephant Trek, Manatee Springs, Bear Ridge & Sea Otter Coast, and Africa

Materials: The Zoo's map app, a mobile phone, and a smile

Activity: Speak with the Habitat Ambassador (they wear Zoo logo shirts and badges like the picture here) to help you answer the following questions. *Questions are based on grade ranges, so choose the questions that best match your grade band to answer! Please note that this activity is only available April–October.*

Gorilla World

How can recycling a cellphone help gorillas?

Elephant Trek

Why are elephants called a “keystone species”?

Manatee Springs

Why does the Zoo get new manatees every 1–2 years?

Bear Ridge & Sea Otter Coast

Why are our sea otters in human care instead of the wild?

Africa

How many gallons of rainwater can be stored under the Africa habitat?
