

CONSERVATION SCAVENGER HUNT

3rd–5th Grade

Visit different Zoo habitats and ask the Habitat Ambassador Volunteers the questions below to learn more about the Zoo's conservation projects!

Location at the Zoo: Gorilla World, Elephant Trek, Manatee Springs, Bear Ridge & Sea Otter Coast, and Africa

Materials: The Zoo's map app, a mobile phone, and a smile

Activity: Speak with the Habitat Ambassador (they wear Zoo logo shirts and badges like the picture here) to help you answer the following questions. *Questions are based on grade ranges, so choose the questions that best match your grade band to answer! Please note that this activity is only available April–October.*

Gorilla World

Name some benefits that gorillas get from living in a group.

Elephant Trek

What is one way that the Zoo's elephant habitat conserves water?

Manatee Springs

Where do the Zoo's manatees come from?

Bear Ridge & Sea Otter Coast

How do sea otters help the food web in their habitat stay balanced?

Africa

What is the highest-flying bird in the world?
