

CONSERVATION SCAVENGER HUNT

9th–12th Grade

Visit different Zoo habitats and ask the Habitat Ambassador Volunteers the questions below to learn more about the Zoo's conservation projects!

Location at the Zoo: Gorilla World, Elephant Trek, Manatee Springs, Bear Ridge & Sea Otter Coast, and Africa

Materials: The Zoo's map app, a mobile phone, and a smile

Activity: Speak with the Habitat Ambassador (they wear Zoo logo shirts and badges like the picture here) to help you answer the following questions. *Questions are based on grade ranges, so choose the questions that best match your grade band to answer! Please note that this activity is only available April–October.*

Gorilla World

What device do most people carry every day that can be recycled to protect wildlife locally AND in Africa?

Elephant Trek

How can chili peppers help elephants in Thailand?

Manatee Springs

How is climate change affecting manatees and what can you do to help?

Bear Ridge & Sea Otter Coast

What is the connection between the Myaamia Lunar Calendar and the wildlife in Ohio?

Africa

What are two things that make the hippo habitat a sustainability success story?
