Zoo Troop Overview

What is Zoo Troop?

Learning and growing is fun at the Cincinnati Zoo & Botanical Garden! Zoo Troop is a once-a-week, 4-week series for toddlers through 8th graders designed to spark curiosity, build empathy, and encourage healthy social skills while fostering knowledge and respect for wildlife and wild places.

Each class includes interactive activities in the classroom, Zoo hikes, and close encounters with ambassador animals. Older participants also take on a series-long project or presentation, giving them the chance to dive deeper and share what they've learned. With the same knowledgeable instructor leading each week, children can build positive relationships while exploring new topics that connect them to the wild world around them.

DATES & TIMES:
Attend Tuesdays, Wednesdays, Fridays, and Saturdays in September, October, and November.
See individual class descriptions for current series topics.
